## Lambeth Visitor

The Bishop of the Democratic Republic of the Congo is attending this year's Lambeth Conference. As part of his preparation he will be visiting us on Sunday 6<sup>th</sup> July and preaching at the Choral Communion service at 6.30 p.m.

## Family Services

Over the last few months we have been successful in attracting some young families to this service.

After some discussion, it is clear that they would much prefer the service to begin at

11:00 a.m. to fit with other family commitments.

So from September we will be holding our Family Service on the first Sunday of the month at **11:00 a.m.**

To make this possible we will no longer have a sermon at the 10:00 Morning Prayer. There will continue to be addresses at both the 8:00 a.m. and 6:30 p.m. services that day.

## **Territorial Army Centenary**

The TA celebrates its 100<sup>th</sup> Birthday this year. To mark this there will be a special service on Sunday 27<sup>th</sup> July at **10:15 a.m.**

The Parish Communion Service that day will be at 6.30 p.m. in place of the usual Evensong.

## **Garden Evensong**

The Garden Evensong this year will be on Sunday 31<sup>st</sup> August. We hope it make a good 'finale' to the summer 'break'.

## **Next Coffee Morning**

The next Coffee morning is to be held in the Church on Saturday 20<sup>th</sup> September. Full details to be announced in the September magazine.

Our previous coffee mornings have proved to be very popular and attract lots of people into the Church. Put the date in your diary now and come and join us for a coffee and a friendly chat or a browse round the stalls.

Proceeds will go towards the Christmas Tree Festival in aid of the Isabel Hospice and All Saints Church. Contact Denise Dilley – 01992 587113 for more details.

## **Youth Club**

A new Youth Club will start in September, meeting in St John's hall on Sunday evenings from 7:00 p.m. This will be launched with a Pizza Party on Sunday 6<sup>th</sup> September. More details in the next issue.

## **All Saints Model Railway Show**

Three days before our first Model Railway Show, I realised that I was not worrying over the Show – was this itself a cause for worry! Surely there must be one more thing to plan, one more person to chase up..... In the event, Friday evening came and a group of us assembled at the Hall and had tables and electricals set up within an hour. On Saturday morning our exhibitors and traders started to arrive before 8 a.m., and by 9 a.m. all of them were busy setting up. Plenty of volunteers were also on hand by then, both in the hall and in the church, where Janet Bird and her team set up the refreshment area.

There was a queue waiting at 10 a.m. and from then on the hall was well occupied for most of the day. Visitors were a mix of people. They included a good number of model rail enthusiasts, as we had advertised

in national journals. We had visitors from as far afield as Luton, Peterborough and Barnet, but lot of local families also came to enjoy the variety of layouts and displays, including quite a few who might not have come to our more usual activities.

The atmosphere throughout the day was very friendly, especially as the exhibitors were all happy to chat to visitors about their layouts. The refreshments in the church proved a draw, especially as at any time our visitors could watch either of two different railway films to watch, on TVs set up by Dorothy Toyn, and admire Brian Dilley's splendid collection of large scale model locomotives (and all his own work as well).

Overall the exhibition attracted about 370 visitors and generated a net income, after all expenses, of £700. Grateful thanks are due to the many people who helped set up before and clear away afterwards, act as stewards or caterers during the day, or just be around to help as needed. But particular thanks go to Geoff Oates, who provided his usual calm support as my fellow organiser, Janet Bird for organising the main refreshments, Colin Bird for looking after the finances, and Gillian for organising exhibitors' refreshments. A special thought too for the exhibitors from various Hertfordshire model clubs, who came for the day without claiming expenses as a goodwill gesture towards All Saints.
