Everyone as part of Team All Saints!

Jo would like us, over the coming year, to think about Growing Together – something that is already underway in the PCC.

"May Christ dwell in your hearts through faith, as you are being rooted and grounded in love. I pray that you may have the power to comprehend, with all the saints, what is the breadth and length and height and depth, and to know the love of Christ that surpasses knowledge, so that you may be filled with all the fullness of God."

Ephesians 3. 17-19:

She hopes that in the coming year All Saints will grow in faith, grow in numbers, grow in serving and grow in unity with one another.

Jo also said we should make space in our lives – making sure our worship is special and through prayer, study and fellowship.

We should be open to others, making sure we really do welcome people.

We should encourage everyone's sense of belonging with graciousness, invitation and generosity.

We should serve God, our community and creation, supporting one another as "Team All Saints" and providing ministry to all our members and the community.

In order to do this we will need to be focused and our PCC Away Day in October will enable us to work on this.
