11th October 2016

Dear Jo,

On behalf of the Trustees and clients of Hertford and District Foodbank I would like to thank you and all at All Saints for the generous donation of food which we received from the recent Harvest Festival.

You will be pleased to hear that the food totalled 94.86kg which is enough to feed approximately 6 people for at least 3 days. This was more than was donated last year and is a great help.

The clients of the Foodbank are so grateful for the help that they receive when times are difficult for them, and without the generosity of so many local people we would not be able to provide this much needed help.

Please pass on our thanks to everybody for their generosity and continued support.

I would also like to thank all who are kind enough to donate to the Foodbank throughout the year but may I also may make a plea that you always take a moment just to make sure that all food given has at least a couple of months of shelf life.

Sadly, just occasionally, the foodbank sometimes receives food which is out of date (sometimes considerably so!) and we cannot give this out. All food is carefully checked before being put in the store and disposing of out of date food is not only time consuming but can be heavy work. We aim to ensure that our clients feel valued and to give them the best that we can. We would never give them food which is past its best or which we wouldn't be happy to eat ourselves. We try to base all that we do on Christian principles and as Jesus himself told us:

Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'

With love and thanks

Janet

Janet Bird - Trustee Hertford Foodbank
