

# Instant Nativity play at Bircherley Court 16<sup>th</sup> December 2007

*Gillian Harman*

Once again the Junior Church put on an instant Nativity Play to entertain the residents of Bircherley Court.

We had just enough children to cover all the parts, including actors and narrators.

They had dressed in their costumes and practiced in St. John's Hall before we went to Bircherley Court.

Parents came and joined in too. Alison played the piano for the carols which everyone joined in singing. The three kings sang their solo verses.

The morning was enjoyed by participants and spectators.

All the photographs taken are on view at the back of the church.
