Environment Climate Hope Children's Activities

Luella, Mario, Soraia and her friend Mary organised and ran a large variety of children's activities during our event last weekend. One of these activities was the Loose Parts Art competition where children were invited to use different natural objects to create a picture. A photograph was then taken of it, and Diane Warburton kindly judged the creations for us. The winners are named below, with Diane's comments on each.

1st) Evie Bayliss

No. 2 which is a complete picture, covering the whole page which I interpret as a landscape with the shells representing the

earth, rising through the countryside to the clouds and the sun. It's creative and pretty.

2nd) Ella Andrews

No. 3 which is more of a free style with good use of colour and style.

3rd) Jude Gough

No. 10 is clearly a lovely bumble bee which has been solidly created and constructed.

Well done to all who took part - I would have liked to have had a go myself but just couldn't find the right moment to partake. Thank you to the team who organised and ran the stall.

Diane Warburton

Mothers Union

Just a reminder that the **MU Poetry Evening** is on **Tuesday 28th September, at 7.15 for 7.30 pm at All Saints.**

We will meet in the 'Café area' of All Saints so we can all be well spaced out, but still meet in person.

I have just heard on the TV this morning that poetry is now considered very 'cool' and that having poetry evenings is really 'trendy' and a poetry tent is common at festivals these days! I am glad the MU is keeping up with the times!

We are very pleased to welcome Helen Briggs to our meeting to come and lead the Poetry Evening, She is going to bring a favourite poem of hers which we will hear

and chat about. Please bring some poetry that means something to you that you would like to share.

I look forward to seeing you there and do bring any friends who may be interested. All welcome.

Dorothy Toyn

Messy Church

At our first Messy Church gathering since March 2020, we created a bee trail in the churchyard, which the children followed, and at the same time learnt about bees and were introduced to various associated verses of Scripture. Thereafter they rushed around collecting "nectar", before joining together to make an altar cloth to celebrate the environment, and for a short time of worship, singing to the accompaniment of Doug's guitar.
