THE BISHOP OF ST ALBANS' HARVEST APPEAL 2021

WATER IS LIFE

Our retiring collection is for Water Aid for the Democratic Republic of the Congo. Living in the DRC is tough. With a history of civil war and poverty communities struggle every day.

More than 70 per cent of the Congo population use unsafe drinking water and so every day they risk cholera, a preventable disease.

The Bishop of St Albans' Harvest Appeal 2021, Water is Life, will bring clean water to many more communities, bringing with it transformation to daily lives and hope for the future. www.harvestappeal.org

Water is life, but in the Democratic Republic of Congo (DRC), water is their number one problem.

For many communities, water for drinking, cooking and washing is unsafe and brings with it a devastatingly high risk of cholera.

Your generous support for this year's Bishop of St Albans' Harvest Appeal can bring clean, safe water to many more people in the DRC, giving them life and hope, and transforming their communities.

A Season for Change

Based on a prayer from Christian Aid

Change...

In the wind

On the ground

In our hearts

Through our action lived out in love.

God, who embraces us all, stretch our spirits to embrace each other.

Together...

In our standing up

In our speaking out

In our prayerful living-out of the changes we call for.

God, whose plan includes us all, stretch our spirits to embrace each other and your world.

God, stretch our spirits to embrace your love.

Christ, stretch our spirits to take our place in your work.

Spirit, stretch our will to grasp your vision.

A season for change is now. Amen.

Eco Walk Wildlife Challenge

Unfortunately, we are unable to host an Eco walk this Sunday – but expect to do so in January. For those who wish to do so, all the materials for the Wildlife Challenge are still available in church along with the many pictures to help with identification.
