## ALIVE

All Saints' Welcomes Everyone

## Review of 2025

(Taken from our report on  
2025 to the Charity  
Commission)

Led by Rev Canon Simon Cutmore, we undertook a major reflection on how we best operated in accordance with the Parish Profile we had developed in 2024. From this came a plan of six strands of activity (now seven), formally launched as a three year Vision in September 2025 (<https://www.allsaintshertford.org/vision.php>). More work on the practical implementation of this involving the entire congregation and community is planned for Lent 2026.

In a related activity, the PCC and Standing Committee have reviewed and revised their operations to streamline and focus their activities in-line with the agreed strands.

On Sundays at 10.00am, we held an All-Age Eucharist on the first Sunday of the month, and Parish Communion on the remaining Sundays. We celebrated Holy Communion at 11.00 am on Thursday and on major Saints days as they occurred. Morning and Evening prayer was held Mon -Thurs and Morning Prayer on Saturdays.

Our Sunday evening service at 6.30 was an informal 'Breathing Space' first Sunday with Choral Evensong according to the Book of Common Prayer on the second and fourth Sundays. We have continued on the third Sunday evening a service of Choral Compline. Fifth Sundays have again been a variety of informal styles or a Choral Communion as appropriate.

We continue our weekly services at Bentley House, a local care home, which now ministers to elderly residents who could not otherwise attend church. Regular Assemblies in several local schools are led by the Vicar.

A monthly round of Home Communion for those in need been established.

New patterns of worship were trialled and assessed by the PCC. Changes made to liturgy were in accordance with Common Worship and designed to be as accessible and inclusive as possible. The liturgical seasonal colours were introduced as banners on pillars to beautify the church building along with some new matching altar frontals to underline the seasonality of our worship.

We have started a regular pattern of systematic study via a weekly Bible Study 'Lectio Divina' on-line on Monday evenings, and a mix of live and on-line weekly courses/opportunities to study under the brand 'Thinking Thursdays'.

We also launched a regular weekly service called 'SmAll Saints' on Tuesday mornings for babies, preschoolers and their parents/carers.

All Saints has a very strong musical tradition, and we have a choir of young people and adults which is open to anyone wishing to make a regular commitment to leading the congregation in singing at services, and to learn about the rich variety of sacred music. We believe that the musical training involved has strong educational benefits, and many of our former choir members have gone on to achieve success both in music and other walks of life. Several have gained choral or organ scholarships at university.

Our Director of Music and Assistant Organist play the church's fine "Father Willis" organ and also have a leading role in encouraging the young and enthusiastic atmosphere of our Choir. We were able, after a significant gap to appoint a new 'Soundbites' organ scholar in Autumn 2025.

Our community links are enhanced by another musical activity for which All Saints is well known in the town, which is our regular

series of "Soundbites" concerts on Wednesday lunchtimes. These cater for all ages, but mainly retired people, and are free of charge with donations welcomed. These concerts are of a high standard and often feature promising young professional musicians who are just starting their careers. They are also highly popular, and regular attenders often remark on the friendly and welcoming atmosphere, and how the concerts are a great social service to the town, as well as a musical one.

In addition, the church is a well-used venue for a number of outside music organisations, including regular concerts by Hertford Choral Society, Hertford Symphony Orchestra and Lumos. Once again we were the main hosts for the Hertfordshire Festival of Music.

We have very good relationships with our local schools who regularly visit. They bring students and families for school celebrations and for services such as Harvest Festivals and Carol Services. In 2025 the winner of the Christmas Tree Festival was Wheatcroft Primary School and many local organisations took part – we plan to repeat this in 2026.

We also value highly the social and other activities and services connected with the church, eg, in 2025 we hosted the Hertfordshire Justice Service and a major Charity event raising over £68,000 for schoolreaders.org.

With the wider community in mind, we also host a monthly food festival, Street Food Heroes in our churchyard and this is sometimes combined with other activities to build relationships with the community.

A Creation-tide Craft afternoon in the Summer Holidays hosted children and families making animal themed craft and a Scavenger Hunt, followed by a Games afternoon during the Autumn Half-term attracting a surprisingly large number of families. We plan to repeat/expand in 2026.

We continue to develop our Eco credentials as the GreenWatch Talks bringing excellent speakers and an increasing audience into All Saints. Lunches are sold and early arrivals enjoy discussions on environmental concerns. We have embedded this work in our Vision.

Many special groups exist in the church, for a variety of purposes, and although they are largely attended by the church community, they are open to all without distinction.

Apart from the activities already mentioned above, we have a Flower Club which both arranges flowers in the church building, including for weddings, and organises occasional special events, an Art Group which has held exhibitions, a Work Party undertaking essential maintenance of both church and hall, and an active group of bellringers, which we share with St Andrew's Church.

This year's Annual Meetings will be held in Church on Sunday 19<sup>th</sup> April after the morning service. All welcome to hear/contribute to our plans for the coming year.

If you are not currently on our Electoral Roll and wish to vote at the meeting, please complete an application form (from the back of church) and return to Martin Penny by Easter Sunday.

## **New Bishop of St Albans**

**Rt Revd Andrew Rumsey,  
currently Bishop of Ramsbury**

Bishop Andrew described the news as "a homecoming", returning to the Diocese in which he was born and baptised, where his

father served as a parish priest and where he spent his early life.

In his announcement message, he said:

"I am thrilled to be announced today as the next Bishop of St Albans. This is the diocese where I was born, baptised and grew up, and it is a profound joy to return home. My prayer is that together we will come home to Christ, and that our churches, schools and chaplaincies will be places where people of every background can truly belong."

Bishop Andrew will move to the Diocese with his wife, Rebecca, and their family later this year, asking for prayers as they prepare for the transition. "Please know that I will be praying for you," he said, "and I ask you to pray for me and our family as we prepare for all that lies ahead."

Limitations of space preclude including the full announcement here. It can be found at <https://www.stalbandsdiocese.org/news/andrew-rumsey-next-bishop-st-albans-announcement/>

## Placement at All Saints

Rev Peter Briggs

Hi, I'm Peter - a curate currently serving at St Peter's

Broadwater and Oak Church in Stevenage, and I'm thrilled to be able to spend time with you this May! I grew up in Milton Keynes and did my ministry training in Bristol before moving to Stevenage with my wife Saffron, who is herself

training for ordination at Ridley Hall in Cambridge. Outside of church life, you'll find me at the gym, playing board and card games with friends, or hunting down the next great undiscovered artist at a small gig somewhere in London — my music taste is

pretty wide-ranging, so I'm always up for a recommendation!

I come from an evangelical charismatic background, but in recent years I've been falling in love with the richness of more traditional forms of church, and I'm genuinely excited to immerse myself in those more deeply during my time at All Saints. I'm also passionate about new monasticism and spiritual formation, so I'm particularly looking forward to exploring those topics together.

I'm looking forward to getting to know you, share in your community, and learn from all that All Saints has to offer. Please do come and say hello!

## Good Friday Walk of Witness, 10-11.30am, Friday 3rd April 2026

Last year's Good Friday Walk of Witness was a great success. About 130 gathered at three of our churches, took to the streets and carried three large crosses through Hertford.

The three teams converged on Salisbury Square in the centre of town and from there processed to Hartham Common for a short time of worship, prayer and Bible readings.

Join us this year and let's make the event bigger and better, impacting Hertford with the good news of Easter.

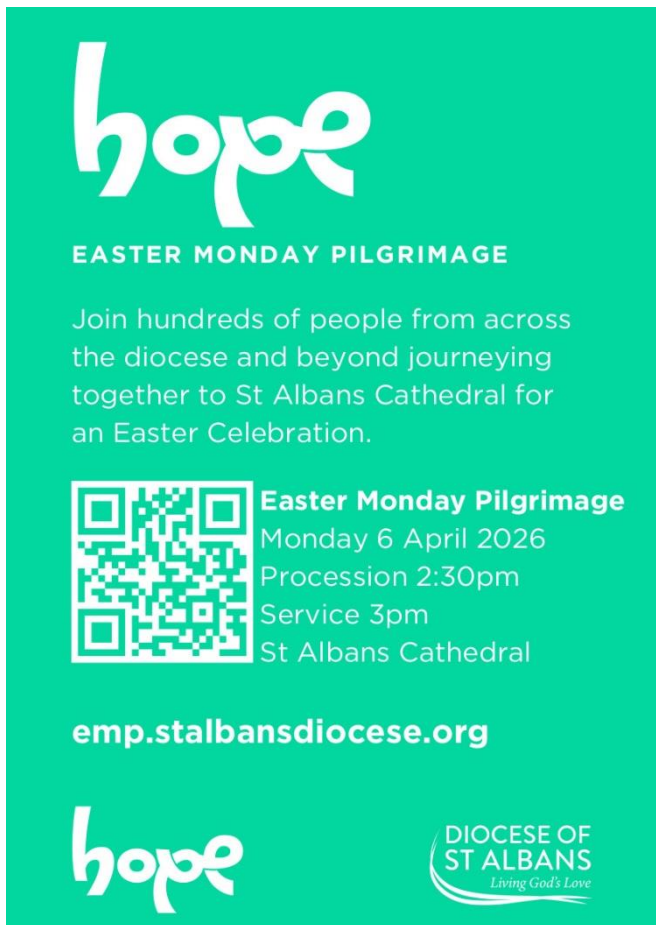

We hope to have three groups walking through the town, carrying large crosses, giving out chocolates, and a small card with a link to the Alpha Course Video - Why Did Jesus Die?"

The three groups will gather at three different locations between 10.00am - 10.15am:

- Hertford Methodist Church, Ware Road
- All Saints Church, Queens Road
- United Reform Church Car Park, Cowbridge

Join us and play your part in sharing God's great love with Hertford this Easter. Simply turn up between 10.00am – 10.15am on Friday 3<sup>rd</sup> April at one of the locations.

Arrive at the Cathedral to gather on the beautiful Abbey Orchard before heading inside from 2:30PM for an informal service at 3PM.

The service will be filled with worship led by **Russell Blackman**, a talk from **Leah Bucko** and a short communion led by **Bishop Jane**, Bishop of Hertford.

Following on from the very successful Burn's Night supper in January we are holding another, this time to mark St George's Day.

Tickets are £15 per person.

Menu: Bangers and mash. Followed by apple crumble or trifle - we will be asking for some people to help provide puddings.

Bring your own drinks

## Contact information renewal – action needed

We are updating how we store and manage our contact information at All Saints to ensure we stay up to date with data security, and to give you greater flexibility to manage how we communicate with you. We are taking this opportunity to conduct a 'one-off' exercise to ensure we have the latest contact information for you, that we know what you would like to receive communications about, and to re-confirm your permission to hold your data.

**Action:** In order to continue to receive communications from All Saints, we are asking everybody to complete a simple form.

It will only take a couple of minutes and can be done either by accessing a short on-line form at <https://forms.gle/UyupADuQtAmB7xkb8> or filling in a paper version – copies at the back of church.

Please provide as much information as you are comfortable with, but remember it is difficult for Simon to contact, support or visit you if we don't hold at least your phone number and address. For legal reasons we are not allowed to use the information on the parish Electoral Roll.

There are three main categories for communications you may be interested in. These are 'Worship', 'Events' and 'Children and Youth'. For children under 18, we are asking for information of the parent/carer and not the child – you will see on the form where you can enter any children's names and date of birth (so we can tailor any communications and know when they turn 18).

All the data will be held in one central, secure, access-controlled database, which

means any changes will be reflected in all our mailing lists (including contacts for rotas etc).

Thank you for your help.

## Flowers

### Donations for Flowers on the Memorial Book and Altar

This is to remind you that you can donate money for flowers on the Altar or in the memorial chapel in memory of a friend or relative.

The calendar to enter your chosen date is on the noticeboard at the back of church or contact Dorothy or Fiona.

### Easter Flowers

Flowers in church at Easter in memory of loved ones have always been special. Your donations are always appreciated and are a great help in making our church look its very best on Easter morning.

If you would like to donate this year, Dorothy Toyn or the Churchwardens would be pleased to receive your gift by Easter.

The XMAS TREE CROSS will be decorated on Easter Day.

Please remember to bring a flower on Easter Day, Sunday 5<sup>th</sup> April

## SmAll Saints

SmAll Saints has been running since September 2025 and now attracts up to 17 adults and a dozen children each week.

Here are some of their thoughts about it:

Zoë:

We've been coming to Small Saints for 6 months and it's a really joyful part of our week. My son loves playing and exploring the church. I love the relaxed and friendly atmosphere and it's been a great way to get to know the wider All Saints community.

Hailey:

We love coming to Small Saints. Everyone is so friendly and welcoming. My daughter loves the singing. She sings the songs at home. It feels a very special place to come and be together.

Eva (aged 4) who comes with her Granny:

At Small Saints I like:  
Riding on the toys  
Doing the arts and crafts  
Playing the musical instruments  
Listening to the story

There's plenty of room to play - "I like everything."

If you are able to help – especially with preparing craft materials in advance (full instructions provided) please speak to Simon.

## Kärna/Linköping link

Some members of Kärna Church are joining us at the Easter Pilgrimage in St Albans Cathedral on Easter Monday and Canon Simon is visiting them for a few days in April.

The following two articles come from Fr Olaf.

### Our hope is victorious

It simply must!

I'm writing this text two weeks into the Iran conflict, and no one seems to be able to guess for how long that will go on, or how much suffering it will bring.

But whatever happens, we know that the Church has a hope and a truth that will endure.

As Christians our mission is always to stand for what's good, to do good for our neighbours, and to fight evil.

And it is our mission to bring light wherever there is darkness. In the prayer after receiving communion in Kärna, we give thanks to Our Lord for coming to us in bread and wine, and for sending us into the world as a sign of hope.

A sign of hope to the world. WE as a parish – in all our different activities and in all our encounters and most of all in the Eucharist on Sunday morning. The Church will go on celebrating the Eucharist and letting the world know the good news: God is good!

And also, WE as individuals belonging to the congregation. I personally get to be a sign of hope to those I meet – or at least try to be. For the power and strength to do that in a world that seems to become more and more unsafe and troubled, that power flows from the encounter that the prayer talks about.

We truly meet Our Lord in the bread and wine of the Eucharist. The One who can go with us all the way. In my worries, He promises: "You are never alone". In my joy He also walks with me, for joy is what He wants for each and every one of us.

---

### **Greetings to our friends in All Saints**

Many things are happening as always in Kärna. Easter is near, and we will celebrate with much joy and celebration – and even a confirmation in the Easter Vigil Eucharist!

We look forward to spring and summer, when nature proves the truth of the resurrection.

Some of us will even get to meet some of you on Easter Monday in St Alban's Cathedral. Nine of us are joining a coach from our diocese, and we hope to arrive just in time for the Pilgrim Mass!

Unfortunately, our own confirmands will not be able to visit you this year, but plans are already being made for 2027...

Another thing to share with you is that one of the churches of our parish, Kaga, has been re-examined archaeologically, and the

timber in the roof was cut down in the winter of 1115–1116 AD, making it the oldest positively dated church in the county! We'll find ways to celebrate this later this summer...

All for the sake of giving us courage and strength to be that sign of hope to the world.

---

So regardless of the state of the world when you read this, you can be sure that Christ's holy Church carries the hope that we all need. And that hope will be victorious, because He is victorious!  
Many blessings!

/fr Olof, Kärna, Sweden

## **Produce Stall**

Since the beginning of January the Produce Stall has been in aid of Practical Action. So far (mid March) this has raised £520 or so, and I will continue their support until the end of March. A big thank-you to all for your splendid support and contributions - this is only possible because of you.

From the beginning of April, the Stall will be in aid of expenses that will be incurred in running the Environment Day in September by providing two excellent films to be shown.

These are 'Six Inches of Soil' by Colin Ramsay, 'we owe our existence to a six-inch layer of topsoil and the fact that it rains', and 'Wilding' - The return of nature over the last 20/25 years to an English farm, by Isabella Tree.

I still have masses of snowdrops if anyone is interested.... they multiply here readily!

## **Plant Sale 16<sup>th</sup> May**

We will be holding our annual Plant Sale on Saturday 16<sup>th</sup> May. This is a gentle reminder to ask that when sowing, planting, taking cuttings you do a few extras, both as 'insurance' and, hopefully, to be able to bring for us to sell on the day.

Thank you!
