

Prayers for Trinity 8 Sunday 2nd August 2020

Lord God, we thank you for our church and for all who worship here. We thank you for the friendships that we enjoy and for the love of Jesus in our lives.

We give thanks for Jo our Vicar and pray for her and her family and we thank you for our own families and friends and the love that we share for one another.

We pray for people we know and for those all over the world who are sick or suffering in any way. Comfort them and let them know your everlasting love for all your people.

Jesus our Lord, who fed the hungry and taught us to love our neighbours, guide the leaders of the world to care for those in need and to work towards peace and friendship with one another.

Heavenly Father we thank you for this wonderful world which you have made. For the beauty of nature, for the wonder of every living thing and for the opportunity to care for your creation.

Help us to remember that you made us and to give thanks for all the opportunities which we have been given. Help us to be sure to always do what is right and to be the best people that we can.

Help us to love and protect one another and to do all we can to make the world a better place for everyone, to the glory of your name.

Amen.
