

Trinity intercessions

Lord, you have poured your colour and energy into the Church through the miracle of Pentecost. Help us now to build on that, as the disciples did, so that every day we may see you more clearly, love you more dearly, and follow you more nearly.

Creator God, source of all life, when we look around at your amazing creation, this planet that is our home, we realise the responsibility we have to look after this fragile and beautiful earth. Help us to look after all our resources carefully.

Lord, we speak of the mysteries of the Trinity but one thing above all you have made clear to us: you are Love. Like you, we are called to move out towards one another in self-giving love.

Help us to realise that it is truly in giving that we receive, and that in serving one another we are serving you.

When we feel discouraged, you send your Holy Spirit to revive our hopes.

We pray for all those that are in physical pain, as well as those finding life difficult. Remembering:

Mollie Day, Val Warboys, Charlotte Lay, Wendell Newbold, William Murch, Ghislaine Bolton and David

We give thanks for all those whom we love but are now in your closer keeping, remembering Dr Dorothy Anderson may she rest in peace, and rise in glory.

Lord, you have promised to be with us always, even unto the end of the age: Father, Son, Holy Spirit, in your mercy, hear our prayer.

Amen
