

MY GARDEN

A garden is a lovesome thing, God wot!

Rose plot,

Fringed pool,

Ferned grot--

The veriest school

Of peace; and yet the

fool

Contends that God is not--

Not God! in gardens! when the eve is
cool?

Nay, but I have a sign;

'Tis very sure God walks in mine.

Thomas Edward Brown (1830-1897)
