

Report For All Saints Art for 2019

It has been an excellent year for the group. It is growing with several enthusiastic new members joining us during the year.

Last summer we went drawing and painting at outside venues as usual. Members gardens, Panshanger Park, Folly Island and more.

In the Autumn we made mosaics, clay models, made decorations for our Xmas tree for the Church Festival. We painted Autumn scenes, and a red and orange still life. We used our pastels, and painted an indoor scene.

We try new things each year and repeat others.

We normally meet on Thursdays 7.30 – 9.30 in the church meeting room and in the summer outside from 7pm – 9pm.

We have had a printed programme each term. Each person attending paid £2 which paid for materials, speakers, and a donation towards heating costs.

New members are always welcome.

I am grateful to Nick Hoyle and Sandra Weeden for helping with the smooth running of the group.

Gillian Harman
