

Bellringing Report

We were delighted that John Taylor and Co from Loughborough were able to undertake the refurbishment of All Saints bells during the lockdown and the work was completed in June last year, just in time for us to start ringing again in July.

We are grateful to Hertford Town Council for their large donation towards this project and also to others who donated to the work including the family of Basil Jones, a former ringer, the Hertford County Association of Change-Ringers (HCACR), the Eastern District of the HCACR, the West Anglia Guild of change ringers, and all the many individuals who gave donations of their time or money. I would especially like to record out thanks to David Harris, a former Hertford Ringer, for the time and expertise he gave to this project, without whom it would probably never had got off the ground. David and his wife Jeanette have now moved to Dorset to live nearer to their family there and we miss them at Hertford.

We are a few ringers down since Covid-19 struck so we do now sometimes struggle to ring on some Sundays. If anyone would like to learn to ring please get in touch with Andrew Case – afcase@gmail.com
