Report for All Saints Art for 2024

All Saints Art has had a good year. Our numbers are fluctuating a bit on the downward trend and we would welcome some new members.

We try to introduce some new idea each year. We enjoy still life, collage, landscapes and self portraits. We also enjoyed modelling air dried clay and then painting our models.

In the summer we paint outside at different local venues. We held fewer this year due to wet weather and members holidays meaning too few in numbers.

We ended the year with a Christmassy evening at 2 Valley Close with quizzes from the 1960s!

A big thank you to Nick Hoyle my fellow co-ordinator without whom I would not be able to continue and Helen Briggs as Treasurer sorting out our finances.

Our attendance numbers have been lower and we are now spending beyond our income. We may need to raise our subs in September this year. We will review the situation in the summer. We at present collect £2 per person attending. This pays for Art materials and donation to PCC for heat and light.

We have an attendance normally of 6. We meet on Thursday evening from 7.30 – 9.30 in the church meeting room. Nick and myself produce a programme for each term. I send a reminder email each week to members. Occasionally we need to change the programme when leaders are away or ill or use of the church is needed.

Gillian Harman
